The Citrus Heights Police Activities League is hosting a Family Skills and Resource Workshop. We have invited area leaders in youth and family services to provide information regarding resources available to juveniles and families.

The workshop will be an open house with booths and representatives from the Sacramento Region and Police Officers from Citrus Heights Police Department.

Please attend if your children are displaying at-risk behavior or you are interested in obtaining preventative information. There is no cost to attend the workshop but the information provided will be priceless.

*The Citrus Heights Police Activities League is committed to fostering positive relationships, based on trust and respect, between youth and law enforcement through activities and programs.*
